

INTERNATIONAL CONGRESS: THE SECRETS OF PELVIC FLOOR SURGERY

Tips, tricks and vision for the pelvic floor
surgeons of the modern era

Chairs Gabriele Naldini, Tommaso Simoncini

PISA, 8th-9th MAY 2023

INTERNATIONAL CONGRESS: THE SECRETS OF PELVIC FLOOR SURGERY Tips, tricks and vision for the pelvic floor surgeons of the modern era was held on May 8th-9th 2023 in Pisa (ITALY) at Auditorium Nino Ricci C.C.I.A.A.

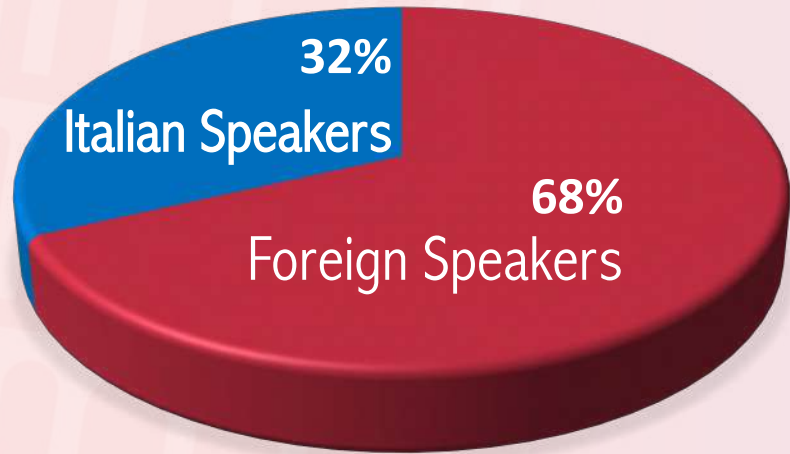

Focused on the discussion of surgical techniques for the management of pelvic floor disorders, we will try to define surgical procedures while learning from the tips and tricks of the experts.. All speakers discussed videos focusing on the surgical steps and also presented surgical indications with their results compared to the literature.

An innovative video congress concept allowed interactivity between speakers and participants In fact, each topic lasted 25 minutes, with 10 minutes for the speaker's presentation and 15 minutes for the discussion, with active involvement of the audience

INTERNATIONAL CONGRESS

THE SECRETS OF PELVIC FLOOR SURGERY

Tips, tricks and vision for the pelvic floor surgeons of the modern era

Chair: Gabriele Naldini and Tommaso Strocchi

PISA, 8th-9th MAY 2023

Congress Chairman

GABRIELE NALDINI
Chair of Urology, Plastic and Reconstructive Surgery at PFC, Pisa Central University Hospital, Pisa

TOMMASO STROCCHI
Professor of Obstetrics and Gynecology, Head, Pisa School of Obstetrics and Gynecology, Pisa University Hospital, Pisa

An innovative concept of video-congress!

The aim of this congress is to discuss about topics techniques for the management of pelvic floor disease trying to define the surgical approach, learning from the experts, tips and tricks. All the speakers will discuss videos learning in surgical floor and also present specific techniques with their own results compared to the literature.

The innovative concept of video-congress will allow and allow to discuss in real time with the experts. Thanks to speakers' presentation and to the live discussion, having the opportunity to engage them in the audience which is not allowed to ask questions during the sessions.

The discussion will be done during all the sessions. The speakers will answer to the questions and will be able to ask questions to the speakers. The final report of the congress will be published in an e-book available to all the participants.
